

BRAMARE

VIÑA COBOS

Rebon Vineyard

PAUL HOBBS

VARIETAL COMPOSITION

100% Malbec

HARVEST

Hand-harvested - April 15th, 2014

APPELLATION

La Consulta (San Carlos - Mendoza)

VINEYARD

Rebon Vineyard. 3.330 feet Outstanding vineyard, spur pruning cordon. A well-developed radial system. Furrow irrigation. This wine comes from 10 year old vines.

SOIL

Sandy-loam soil, with medium size pebbles on the upper layers and boulders in the lower layers.

GROWING SEASON

The grape cycle started beforehand with early bud breaks as a result of the dry and warm spring. The growing season continued to evolve well. Special care and management in the vineyard helped to overcome the impact of unusual rainfalls reported during mid-December up to late March. Despite the predictable delays in sugar accumulation, the grapes achieved full physiological maturity, and harvest took place slightly later than normal. Yield is of 3.79 tons per acre.

AGING & BOTTLING

Aging for 17 months in new French oak (60%) and new American oak (5%) in combination with second use oak (35%). Bottled in November 2015. Unfined and unfiltered.

TASTING NOTES

Ruby red hue with pleasant aromas of ripe red fruit and a fresh touch of wild herbs and violets. The wine has a great structure on the palate and good concentration. It has velvety tannins as well as a marked minerality, and a long finish.
