### VINEYARD

Marchiori Vineyard. 3.264 feet Cane pruned vineyard. Traditional furrow irrigation. This wine comes from block C2, from vines of more than 80 year old.

### SOIL

Deep soils, upper strata of clay-loam to sandy-loam, and substrata of river-washed cobbles and round stones.

### GROWING SEASON

The grape cycle started beforehand with early bud breaks as a result of the dry and warm spring. The growing season continued to evolve well. Special care and management in the vineyard helped to overcome the impact of unusual rainfalls reported during mid-December up to late March. Despite the predictable delays in sugar accumulation, the grapes achieved full physiological maturity, and harvest took place slightly later than normal. Yield is of 4 tons per acre.

### AGING & BOTTLING

Aged for 17 months in new French oak barrels Taransaud (100%). Bottled in November 2015. Unfined and unfiltered.

### TASTING NOTES

Red ruby color with dark violet hues. The nose is marked by wild herbs and floral notes, ripe black fruit and subtle hints of dark chocolate and licorice. Is voluptuous and structured. It concludes with a pleasant and persistent finish.
