ESTATE VINEYARD

CABERNET FRANC 2022

Growing season

The 2022 vintage was positive for red varieties in terms of quality. A cold summer allowed progressive polyphenolic maturity, achieving high color intensity and concentration, especially in Malbec. White varieties were affected by the intense rains during February, for this reason the selection of clusters was meticulous to obtain optimum quality grapes.

Deep red color with black hues. Aromas of cherries and roasted red bell pepper, complemented by spicy notes of clove, menthol, and pink peppercorn. On the palate, it is balanced, complex, juicy and long finish.
