

ZINGARETTI

ESTATE VINEYARD

MALBEC 2022

Growing season

The 2022 vintage was positive for red varieties in terms of quality. A cold summer allowed progressive polyphenolic maturity, achieving high color intensity and concentration, especially in Malbec. White varieties were affected by the intense rains during February, for this reason the selection of clusters was meticulous to obtain optimum quality grapes.

Tasting notes

Deep violet with inky black accents. Aromas of plum, blueberries, menthol, and black tea with delicate violets hints. Soft tannins and a distinct minerality create a rounded, juicy wine with a persistent finish.
